

# I Spy at MOCA

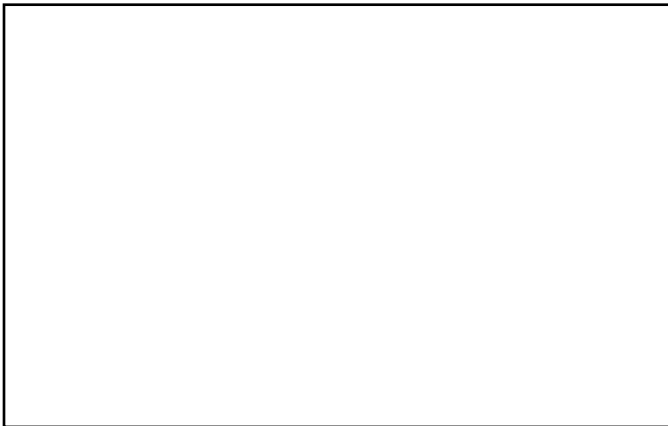

As you explore the museum today, try to find each of these things. Look carefully! While some of them are hidden in plain sight, others are a little harder to find\*. The search will take you all over (and even outside) the museum.

\*If you need a hint, ask a Visitor Experience Guide (anyone wearing a black MOCA lanyard) for help.

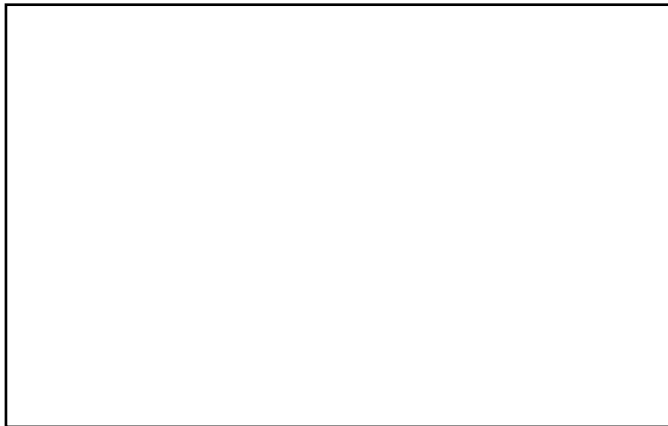

# Find and Sketch an Artwork that...

...is made out of an unexpected material:

...makes me feel happy:

...I don't like or understand:

...is the smallest artwork on display:

## 158 Sterling Trivia

Test your knowledge of the building MOCA calls home, 158 Sterling Road – officially known as the “Auto BLDG.” If you need a hint, ask a Visitor Experience Guide!

How many stories tall is the building? \_\_\_\_\_

Can you guess when this building was built? \_\_\_\_\_

How many columns can you see on Floor 1? \_\_\_\_\_

What do you think the building used for before MOCA moved in? \_\_\_\_\_
