

I Spy at MOCA!

As you explore the museum today, try to find each of these things. Look carefully! While some of them are hidden in plain sight, others are a little harder to find*. The search will take you all over and outside of the museum.

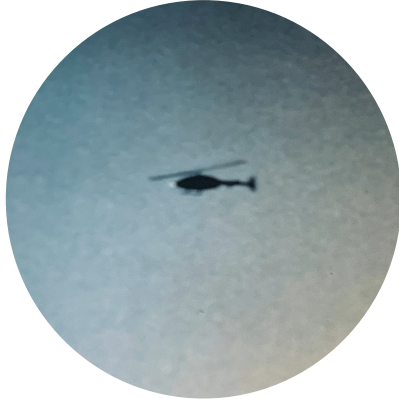

*If you need a hint or have a question, ask a Visitor Experience Guide (anyone wearing a blue MOCA lanyard) for help.

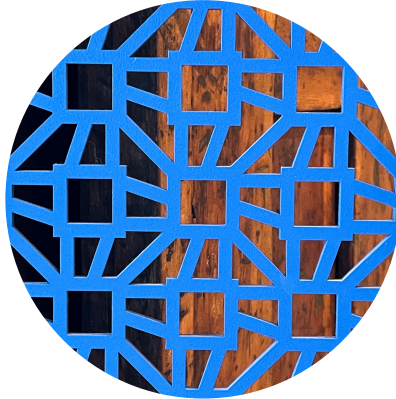

I Spy at MOCA... answers!

Each row represents a floor. Feel free to give out hints!
